Hey, Kids!

What do you call a bear with no teeth?

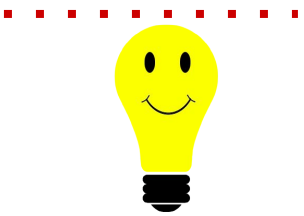
A gummy bear!

What sound does a turkey's phone make?

Wing, Wing!

Notes

Hello, Parents & Students! Can you believe we are now in the second semester of the year? This year is blowing by. Time sure flies when you are having fun! And that's what is happening as students grow academically and spiritually here at Coggin Memorial. Parents, thank you for your support! Kids, you are doing an amazing job! Keep up the great work and keep shining for Jesus!



Reading is Awesome!

We all know that reading with little ones is great for development, but did you know that reading to older children is also extremely beneficial? Fluency, vocabulary, positive view of reading, and spelling are just a few ways reading to your child can help. So break out those books, find a snuggly blanket and read.

After School Snack Idea

Rainbow Fruit Kabobs
Kids can build their own fruit kabobs with a bowl of fruit and lollipop sticks. Fun and healthy! If you want to be wild and crazy, you can even add a few marshmallows.

Supplies: Lollipop sticks (I prefer these to skewers because they aren't pointed) and your favorite fruit. Strawberries, blueberries, grapes and sliced bananas work well, but use your imagination and add your favorites.

Homework Tips

Make it fun.
- Give yourself little rewards.
- Take breaks often to stretch and move.

Don't leave it till the last minute.
- Plan ahead.
- Give yourself time to think without rushing.
- Work when your mind is fresh, not tired.

Do your best work.
- You learn what you practice. Practice your best.
- "And whatever you do, do it heartily, as to the Lord and not to men,..." Col 3:23
